*Applicants will be notified when their information is processed and receive membership information.*

The following information represents the retired enlisted initiation fee, payment option, member dues, for both single and family memberships, and other rules and regulations that pertain to membership at NAGA. Retired enlisted military personnel of the regular armed forces must be receiving retirement pay and at least 60 years old.

	Initiation Fee	Payment Options	Monthly Dues	
			Single	Family
Retired Enlisted	4,500.00	two semi-annual payments / 2,250	242.00	332.00

*The initiation fee, in either in full or an initial payment, is due once the letter of acceptance is signed and returned.*

**Payment Option:** If the initiation fee is not paid in full, a new member may pay the initiation fee in two semi-annual installments of 2,250. The first installment is due at the time the application is submitted. A member will be billed for remaining payment before the end of the year in which they join. Payments must be paid within thirty days of receiving the statement. Failure to pay within thirty days may result in suspension or termination of membership privileges. Initiation fees, in whole or partial, are non-refundable and the member does not gain equity in the association.

**Dependent Eligibility:** Children of members may be carried on their parent's membership until they reach the age of twenty-five so long as the parent member pays the family membership fee. When the child reaches the age of twenty-five they may no longer be carried on their parent's membership.

**Guest Privileges:** Members are permitted to introduce up to three guests per visit. However, the following restrictions apply:

- Members must accompany their guests.
- A guest may only be introduced to the club once in a calendar month. It is the responsibility of the member to make sure their guest has not played at the course during that month.
